Welcome to CAiSE'12!

The early registration deadline is 25 May 2012. However, we strongly recommend registering and booking your hotel as early as possible.

Register now at <http://www.caise2012.univ.gda.pl>

CAiSE'12 program features 2 keynotes, 14 research presentation sessions with 42 papers covering the latest innovations in information systems engineering, 4 tutorials and the CAiSE forum where new ideas, emerging topics, innovative systems, tools and applications will be presented. We invite you to take part in this unique scientific event and enjoy your stay in Gdańsk. Gdańsk is a beautiful and lively city with a rich history that will welcome you with the traditional Polish friendliness. We also suggest bringing your loved ones for an extended stay to enjoy the country and the Amber Coast at the Baltic Sea.

Keynotes

- Michele Missikoff (Italy): Looking at Future Research Challenges in Enterprise Information Systems
- Krzysztof Kurowski (Poland): Challenges for Future Platforms, Services and Networked Applications

Tutorials

- Technical Action Research by Roel Wieringa, University of Twente, The Netherlands
- Model-driven Development by Oscar Pastor and Sergio España, Universitat Politècnica de Valencia, Spain
- Improvisational Theater by Martin Mahaux and Patrick Heymans, University of Namur, Belgium
- Ontological Foundations by Giancarlo Guizzardi, FEUS, Brazil

Industrial Track - PRET-4 – Practice-driven driven Research on Enterprise Transformation (www.pret-series.org)

CAiSE Forum – Lively discussion around short visionary and demo papers presented as posters or demonstrations.
